MESSAGE FROM THE CHAIRMEN OF THE BOARD

Hunting Season is here and so is our 5-Stand Trap Range. We now have a new pistol range that I think will bring in new club members thus increasing revenue in which every club needs.

Many of our members -new and old- have been very busy making improvements to older facilities and creating new ranges and events that will contribute to our club.

PMSC is a great place to practice and learn shooting skills, participate in many of our special events and to just "shoot the breeze." So come out to the club to enjoy and support the best club in Pa.

Don Dorr,
Chairman

Boy Scout Shooting Sports Camporee

On the weekend of April 1, 2005 we will have over 150 Boy Scouts and adult leaders camping out on our ground. They will be there to participate in the first shooting sports camporee. This will be a great way to share our knowledge and skills in firearms and archery. I need a lot of volunteers and instructors to make this work successfully.

The scouts will rotate between various shooting opportunities. They will have a chance to handle and shoot various rifles, shotguns, pistols and archery equipment. To make this work

I need you. This is a great way to showcase our club and give youngsters a chance to learn what we already know. I'll meet with the Scouts and then have a meeting with those of you interested so we can put on a great program.

Call or e-mail me if you would like to help.

W. Chessman

TRAP COMMITTEE

As fall season begins the trap fields are showing signs of dying out. The drainage projects are working well and nearing completion. The drainage ditch between traps 1 & 2 has been filled in completely. Big thanks to Henry H. for getting the additional piping needed. In time the weather will show any need for changes and your help would be greatly appreciated. Once again, Thanks to all that helped on the trap field projects.

The Winter Trap League is off and running on Sunday mornings. The league consists of three clubs in the area (PMSC, White Oak, and Crowfoot) and runs from October to March with time off for the holidays. The shooting format is 50 birds and a low weekly cost of \$6.50. If you're interested, sign-ups begin at 11am and continue till 1pm at the hosting club. Please feel free to ask any of the trap shooters for further information and a schedule.

Would you like to learn how to shot Trap or Skeet? Well this is your big chance. Ted Bernard, a long time trap shooter is offering lessons to anyone wishing to give it a go learning the fine art of breaking clay targets. The lessons will be available by appointment on Thursday nights 6-9pm and Sunday afternoons 1-5pm. You can set up a lesson by calling Ted at (412) 271-7309.

Hope to see you at the range. Joe D.

MEMBER SPOTLIGHT.....

It has been nearly a year since I wrote about a deserving victim while trying to out smart some resident turkeys (never did out smart em'). I'd like to write about one of us that has seen a good bit of history, may I say, even made history. I got to know this gentleman over the past couple of years mainly by wondering why he left his bride sit inside a warm car while he blazed away on one of the mowers cutting the trap fields. I later found out that's the way Ruth likes it. She cuddles up to a good book in a warm car while Ken manicures the grass. She has finished many a novel as Ken is cutting away. He has more 'pants time' on the riding mower than Henry has on the backhoe. Well, maybe not but Ken sure devotes a lot of time at our club.

Ken Beck is our membership secretary. He has been a member of PMSC. off and on since the early fifties. A little about the 'grass cutting fanatic' - Ken grew up in the East McKeesport area. He left high school as many of our fathers and grandfathers did to make our world safe from the likes of Tojo and Hitler. Ken served as a Quarter Master/Navigator on the Destroyer Escort England (DE 635. He earned the rank of Petty Officer Second Class and received a Purple Heart in the unpleasantness known as Okinawa. A Kamikaze struck the Bridge and Ken was blown off the England into the burning Pacific. Ken earned many medals and commendations. My research shows that the England sunk more Japanese submarines, a total of seven, than any other ship in the history of naval warfare. Maybe that's why Ken likes to run the mower. He thinks he's running depth charge patterns on the Old DE while cutting our trap ranges.

After making the world a better place Ken returned home where he got a job at the Air Brake. This is where he met Ruth, a Pitcairn girl. The story I heard was Ken was looking for another Purple Heart. One day he hurt his finger and had to get medical help. It turned out the nurse was Ruth. Ken did not get that second Purple Heart but he gave his heart to Ruth. Their family has grown having two daughters, four grand children and one and a half great grand children. The half represents a soon to be born baby. I sure hope I got those stats right Ruth.

Besides... Taking care of membership requirements, keeping the trap ranges in beautiful condition, and having grand and great grandpap duties Ken finds time for trap, golf and the outdoors. Ruth keeps her eyes on him as she reads. They are an amazing team and part of that greatest generation. Hey Ken, You don't live far from me, just down the Ardmore. I have a big yard and a nice driveway for Ruth to read in. Maybe you could do some DE. Maneuvers in my yard - ping, ping, ping, clip, clip. . .
